

Lemon Patch After School Program

Loving Earth Preschool has creative program for your school-age children. We offer pick up service from local schools to ensure your child is safe after the end of the school day. Our staff has homework labs so your child can get help on homework. We have arts and crafts along with outdoors activities so they can get out and play after a day in the classroom. Movies, games, toys and centers keep your child active so they have fun. Why have your child go anywhere else?

Also when school is out on Holidays, breaks or summer we offer special a variety of activities where fun and learning are combines, with fieldtrips including: swimming lessons, movies, skating, bowling, splash days, cooking experiences, science center, zoo, literacy, arts& crafts and many more.

Check the calendar for more info.
